CORRIGENDUM

Sub: Issue of corrigendum to the Consent for Operation (CFO) issued under Water (Prevention and Control of Pollution) Act 1974 & the Air (Prevention and Control of Pollution) Act 1981 M/s Nemistar Biopolymers, Plot No.68, Harohalli Industrial Area, I Phase, Kanakapura Taluk, Ramanagara - reg.

- Ref:1. Consent for Operation issued by this office vide CFO order No. AW-129335 PCB ID: 247081 dated 02.12.2024
2. Amendment issued by this office vide letter No.545 dated 09.12.2024
 3. Request letter submitted by the industry to Regional office, Ramanagara on 04.08.2025
 4. Affidavit submitted by the industry to this office on 24.09.2025
 5. Affidavit submitted by the industry to this office on 26.11.2025

PREAMBLE:

The Board has issued CFO under the provisions of the Water (Prevention and Control of Pollution) Act 1974 & the Air (Prevention and Control of Pollution) Act 1981 to M/s Nemistar Biopolymers, Plot No.68, Harohalli Industrial Area, I Phase, Kanakapura Taluk, Ramanagara District vide reference (1) for the period up to 31.12.2038.

The said CFO was issued for the manufacture of compostable integral packing materials from virgin plastic only and garbage bags of capacity 20 MTPM. Now, the industry vide its letter cited at ref(3) and affidavit submitted by the industry to this office cited at ref(4) regarding addition of one more machine of capacity 40 MTPM and have requested to issue an amendment to the consent order issued by this office (Consent for Operation) for the manufacture of compostable (plastic) integral packing materials and garbage covers of capacity 20 MTPM from virgin plastic only.

In view of the said request, the amendment to CFO was issued by this office. Now on 26.11.2025 industry has submitted a request letter stating that while issuing consent to the industry, it was mentioned as Medium Green category and in this regard industry has submitted CA certificate showing the gross block value of the industry as Rs.4.53 Crores which is under small green category and also to issue corrigendum pertinent to the capacity of the product as 175 MTPM instead of 200 MTPM.

Pursuant to above the following corrigendum has been issued to the industry

- The size of the industry may be read as "SMALL GREEN" in place of "Medium GREEN" and the capacity of the industry as 175 MTPM instead of 200 MTPM. Industry is entitled to manufacture of compostable (plastic) integral packaging material/commodities and garbage covers.
- Industry shall adhere to the affidavit submitted to this office on 26.11.2025 at all the times.
- There shall not be any public complaints against the industry pertinent to Water, Air and Noise pollution and if so consent granted will be withdrawn without resorting to further correspondence with the Board.
- Industry shall not manufacture any banned plastic items at any given point of time.

All other terms and conditions incorporated in the consent order remain unaltered.

FOR ON AND BEHALF OF THE KSPCB
